

London IES – “Study London” Program

Select courses as follows (15-16 credits):

1. Select 4 courses from the IES “Study London” offerings (12 credits)
2. Additionally take either:
 - a. One mainstream course at British university affiliated with IES (4 credits) OR
 - b. a 3-credit internship OR
 - c. a 3-credit community-based learning practicum

Important Notes:

- **Courses below may not be available each term.** These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit.
- Students should inquire with ksabroad@indiana.edu about business credit. For Kelley majors, please contact the Kelley International Programs Office directly for business-specific equivalencies.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program’s site to determine eligibility.
- You can find the most updated course offerings on IES’s [Study London](#) page.
