1. Required semester Spanish course (3 credits)
2. Required 1 or 2 CIEE culture courses in Spanish (total of 3-6 credits)
3. Required 2-3 Courses at the Universitat de Barcelona in Spanish (total of 6-9 credits)

Important Notes:

- Students should inquire with ksabroad@indiana.edu about business credit.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.
- Courses at the Universitat de Barcelona can be challenging and require students to adapt to the Spanish educational system and style. As such, students are strongly encouraged to enroll in courses within their major or minor fields of study and to pay close attention to any prerequisites or background knowledge that may be needed to be successful.
