Important Notes:

- **Courses below may not be available each term.** These courses have been offered in the past. Check CIEE’s program website for the most up-to-date course offerings. The articulations below indicate the IU-Bloomington equivalent credit.
  - Directed Independent Research is not an option for IU students.

- Students should inquire with ksabroad@indiana.edu about business credit.

- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.

- A course listed as OS200/300/400, the academic department has evaluated the course. Be in touch with the academic department to determine how course may fulfill degree requirements.

- Some courses may carry pre-requisites; be sure to check the program’s site to determine eligibility.

- You can find the most updated course offerings on CIEE’s website here.
