Important Notes:

- All courses on this program are taught in Spanish. Courses taken with Argentine students will require students to adapt to differences in educational system, style of instruction, and expectations (including considerable ambiguity and syllabi with minimal information). Carefully review course selections for any prerequisites or prior knowledge needed to be successful—students are typically more successful in courses within their major/minor(s).
- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit. Please check the [Buenos Aires-CIEE program website](#) for the most up-to-date course offerings (CIEE does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.
