Australia National University
Canberra, Australia

Important Notes:
- Courses below may not be offered each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit.
- Keep in mind that **Semester 1** is equivalent to our **Spring** semester and **Semester 2** is equivalent to our **Fall** semester. Use ANU's "Programs and Courses" catalogue to search for classes (be sure to select the 'Courses' option in the search feature).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.
- A course listed as OS200/300/400, the academic department has evaluated the course. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the university's site to determine eligibility.
- Students should inquire with ksabroad@indiana.edu about business credit.
- Students are required to take four courses on the program for a total of 24 credits (equivalent to 12 IU credits).

Symbol Key:
1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. *: The department has reviewed the course and determined it does not carry more than OS-100.
4. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
5. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major based on IUB matriculation. Check SPEA Approval List and confirm with your O'Neill Advisor in advance of your study abroad experience.
6. ! Must confirm with Biology department how course may fulfill degree requirements.
