- **IU students are required to take all six classes (18 credits) from the on-site Open Campus location (service learning included). However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- Students should inquire with ksabroad@indiana.edu about business credit.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
