

## Jerusalem, Hebrew University

This program has two tracks: "Standard" and "Dance Jerusalem"

**IU students are required to take Hebrew or Arabic (either during Pre-Semester or during regular term)**

**Standard Semester (approx. 18 credits) or Academic Year (approx. 33 credits) at Rothberg International School**

- Pre-Semester [Encountering Jerusalem](#) course (3-5 credits) plus
- 15 credits from a combination of
  - Rothberg International School courses (3 credits each)
  - [Hebrew University courses](#)\*^ (2 credits each, taught in English)
  - Internship (1-3 credits, unpaid)

\*Hebrew University's calendar runs longer than Rothberg International School's. Early final exams are not possible. Fall-only students taking classes at Hebrew University will not return to IU in time for Spring classes.

^The Hebrew University course catalogue is difficult to navigate. Scroll to the end of this document to see a guide for how to use it. Don't see a subject you're interested in at Hebrew University? Students can contact Ms. Ronit Lavi ([ronitla@savion.huji.ac.il](mailto:ronitla@savion.huji.ac.il)) directly to inquire whether the course might be available.

Students interested in intensive Hebrew should contact their IU Education Abroad advisor about their course options and program dates.

**[Dance Jerusalem](#) (approx. 19 credits/semester) at Jerusalem Academy of Music and Dance (JAMD)**

- Pre-Semester [Encountering Jerusalem](#) course (3-5 credits) plus
- Israeli Choreographers Repertoire Workshop \*\*
- Dance classes at JAMD (9 credits)\*\*
- Two classes from Rothberg International School (6 credits)

\*\* Dance students' course equivalencies are determined in consultation with IU's Theatre and Dance department and vary per student. Therefore, they are not listed on this equivalency list.

### **Important Notes:**

- *Courses below may not be available each term.* These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT-OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.

- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- **Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.**
- In some cases, IU may award a different number of credits than suggested by HUJ for a course taken in Jerusalem. This is to comply with university restrictions on the maximum number of credits that may be earned in a semester.

**Symbol Key:**

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. ~: GEN ED N&M credit
4. \*: Course already has been evaluated by a department and does not carry more than OS-100.
