University of Western Australia
Perth, Australia

Important Notes:

- Courses below may not be offered each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit.
- The [UWA Handbook](#) is a good starting place to search for classes and their descriptions. You need to modify the search parameters for undergraduate courses at UWA (Perth).
  - You also can use the [Faculty/sub-section listings](#) if you know in which college (faculty) your major is located.
  - Look at the end of this equivalency list for tips on how to navigate the Handbook
- Keep in mind that **Semester 1** is equivalent to our **Spring** semester and **Semester 2** is equivalent to our **Fall** semester.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.
- A course listed as OS200/300/400, the academic department has evaluated the course. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the university's site to determine eligibility.
- Students should inquire with ksabroad@indiana.edu about business credit.
- Students are required to take **four courses on the program for a total of 24 points** (equivalent to 12 IU credits).

Symbol Key:

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. *: The department has reviewed the course and determined it does not carry more than OS-100.
4. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
5. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major. [Check SPEA Approval List](#) for currently approved courses. Students can earn up to two SPEA courses on an OVST study abroad program.
6. ! Must confirm with Biology department how course may fulfill degree requirements.

How to Navigate the UWA Handbook

Go to https://handbooks.uwa.edu.au/search/?type=all&searchtext=

To search by keyword or class name, enter that into the search bar but change the filters to:
- **Level of study**: Undergraduate
- **Location**: UWA (Perth)
- **Availability**: Semester 1 (IU's spring) or Semester 2 (IU's fall)

You can change other filters, but the ones above should help you narrow your focus enough.

Click on the class title to view information that often is akin to a U.S.-based syllabus (though not always). If you want to request an IU equivalency, send the relevant IU academic department the link to the specific course.

Remember, IU students can only take classes at the **1000-3000 level** and at the **UWA (Perth)** campus.
