

## Thailand Veterinary Science CIS Abroad

### Select courses as follows (approx. 20 credits total):

- Students are required to enroll in all of the courses below.

### Review the following notes!

#### Important Notes:

- The articulations below indicate the IU-Bloomington equivalent credit. Please check the [CIS website](#) for the most up-to-date course offerings.
- Some courses may carry pre-requisites; be sure to review syllabi on the [CIS website](#).
- Courses noted as “lab” below can be used toward an Animal Behavior major’s required labs. Animal Behavior students also can complete one elective course (toward their degree requirements) on this program.

**Alert:** this program requires a \$3,000 **non-refundable** deposit two weeks after IU accepts its students.

#### Symbol Key:

1. \*: IU department has reviewed the course and determined it does not carry more than OS-100; do not ask IU department to review
2. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
