## Select Courses as follows (15 credits in total):

1. Required DIS Core Course (3-6 credits)
2. Required DIS Elective courses (9-12 credits)

## Important Notes:

- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit. Please check [DIS Copenhagen website](#) for most up-to-date course offerings.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.
- A course listed as OS200/300/400, the academic department has evaluated the course. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.
- Students should inquire with [ksabroad@indiana.edu](mailto:ksabroad@indiana.edu) about business credit. For Kelley majors, please contact the Kelley International Programs Office directly for business-specific equivalencies.
