- IU students who take Japanese will need to arrange a placement exam upon completion of the program to determine the next appropriate Japanese language course through the East Asian Languages & Cultures department. Contact [hlsadv@iu.edu](mailto:hlsadv@iu.edu) to learn more.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT-OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.
- A course listed as OS200/300/400, the academic department has evaluated the course. Contact the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.
- Students should inquire with [ksabroad@indiana.edu](mailto:ksabroad@indiana.edu) about business credit.
