

# Stockholm DIS

## Select Courses as follows (15 credits in total):

1. Required DIS Core Course (3-6 credits)
2. Required DIS Elective courses (9-12 credits)

## Important Notes:

- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit. Please check [DIS Stockholm website](#) for most up-to-date course offerings.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.
- A course listed as OS200/300/400, the academic department has evaluated the course. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.
- Students should inquire with [ksabroad@indiana.edu](mailto:ksabroad@indiana.edu) about business credit. For Kelley majors, please contact the Kelley International Programs Office directly for business-specific equivalencies.

## Symbol Key:

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. ~: GEN ED N&M credit
4. \*: The department has reviewed the course and determined it does not carry more than OS-100.
5. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
6. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major based on IUB matriculation. [Check SPEA Approval List](#) and confirm with your O'Neill Advisor in advance of your study abroad experience.
7. ! Must confirm with Biology department how course may fulfill degree requirements.
8. † Some courses have different equivalencies depending on what the student has previously taken. Only students who have taken the first equivalency will receive the second equivalency.

<u>DIS Course Title</u>	<u>IU Equivalent</u>
<b>DIS Core Courses</b>	
<b>Computer Science</b> Machine Learning	CSCI-OS 100
<b>Economics</b> Comparative Economics: Global Risks and European Responses	ECON-E 309
