Stockholm DIS

Select Courses as follows (15 credits in total):

1. Required DIS Core Course (3-6 credits)
2. Required DIS Elective courses (9-12 credits)

Important Notes:

- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit. Please check DIS Stockholm website for most up-to-date course offerings.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.
- A course listed as OS200/300/400, the academic department has evaluated the course. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.
- Students should inquire with ksabroad@indiana.edu about business credit. For Kelley majors, please contact the Kelley International Programs Office directly for business-specific equivalencies.

Symbol Key:

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. ~: GEN ED N&M credit
4. *: The department has reviewed the course and determined it does not carry more than OS-100.
5. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
6. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major based on IUB matriculation. Check SPEA Approval List and confirm with your O'Neill Advisor in advance of your study abroad experience.
7. ! Must confirm with Biology department how course may fulfill degree requirements.
8. † Some courses have different equivalencies depending on what the student has previously taken. Only students who have taken the first equivalency will receive the second equivalency.
## DIS Course Title

### DIS Core Courses

**Biology**
- Biomedical Engineering in Scandinavia: BIOL-OS 100
- Precision Medicine: Tailored Treatment in Clinical Practice: BIOL-OS 100

**Computer Science**
- Machine Learning: CSCI-OS 100

**Economics**
- Comparative Economics: Global Risks and European Responses: ECON-E 309

**European Politics**
- European Security Dilemmas: POLS-OS 100

**Gender Studies**
- Gender, Equality, and Sexuality in Scandinavia: GNDR-OS 100
